

15TH ANNUAL Care in the Community Conference

09.27.18

**Family Well-being: Mental Health
Awareness, Prevention and Support**

**09.27.18
RADISSON HOTEL MILWAUKEE WEST
WAUWATOSA, WI**

Who should attend?

Families, physicians, nurses, social workers, teachers and others who care for children and youth with special health care needs

Purpose

To give families and providers information, resources and strategies that help them work together to provide children and youth with special health care needs coordinated, family-centered care in the community

Contact hours

Children's Hospital and Health System, provider #1021, is approved as a provider for continuing education by:

The Association of Social Work Boards
400 S. Ridge Parkway, Suite B
Culpepper, VA 22701
(540) 829-6880
www.aswb.org
ASWB approval period:
01/29/16 through 1/29/19

Social workers should contact their regulatory board to determine course approval. Social workers will receive 4.5 continuing education clock hours for this course. This course is appropriate for social workers at all practice levels. Social workers must complete an evaluation form at the end of the program to receive a certificate. Social Workers must complete all sessions and turn in evaluation forms in order to complete this course.

This conference fulfills Continuing Education requirements for the Wisconsin Department of Safety and Professional Services for the State of Wisconsin for Social Work certification and licensure under MPSW 19.

Resolution of grievances will be handled by the SW Continuing Education Committee. Contact Julie Turkoske with questions or grievances at (414) 337-7716.

ADA statement

Children's Hospital and Health System fully intends to comply with the legal requirements of the Americans with Disabilities Act. If any participant of the conference needs accommodation, call (414) 266-3192.

For your comfort

Room temperatures may vary in the meeting rooms. Please bring a jacket or sweater in case the room is too cool for your comfort.

Funding

The Care in the Community Conference and the Southeast Regional Center for Children and Youth with Special Health Care Needs is funded in part by the MCH Title V Services Block Grant; Maternal and Child Health Bureau; Health Resources and Services Administration; and the U.S. Department of Health and Human Services, in partnership with Children's Hospital of Wisconsin.

Jeff Karst, MD

Dr. Karst is an Assistant Professor of Pediatrics at the Medical College of Wisconsin and pediatric psychologist at Children's Hospital of Wisconsin. His primary work involves helping children and their families cope with cancer and other blood disorders. Dr. Karst also has an extensive background working with children with developmental disabilities. As a pediatric psychologist, Dr. Karst works with many children and families providing mental health support for bullying and peer conflict related issues and is familiar with scientific findings in this field.
